

CONSTRUCTION NOTIFICATION

Coastal GasLink is committed to creating an extraordinary legacy of safety and respect for all people, communities and the environment. As part of this commitment, we are keeping our neighbours along the project route informed on construction activities happening near their community. Please note the following information:

What: As part of mainline construction activities, Coastal GasLink will be conducting a trenchless crossing installation at Kitamaat Village Road. There may be traffic interruptions during the crossing.

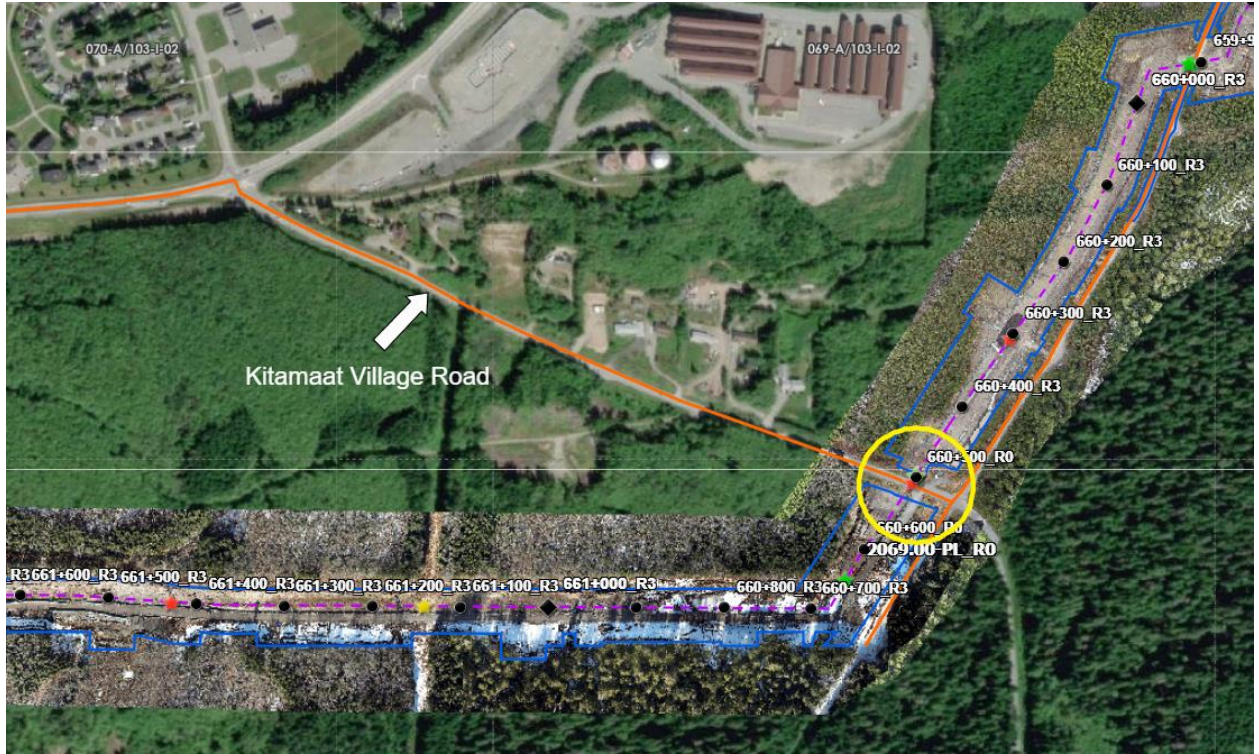

When: The trenchless crossing installation will begin as early as August 28, 2022 and is scheduled to occur between the hours of 7:00 a.m. and 7:00 p.m. It is possible that Kitamaat Village Road may experience periodic traffic interruptions occurring during this time from September through to November.

Where: Installation activities will occur within the Coastal GasLink right-of-way where it crosses Kitamaat Village Road at KP 660+506.6. Please see the map included as part of this notification.

Expected Duration: Activities are expected to occur from August 28, 2022 through to November 2, 2022.

Potential Impact: While there are no anticipated permanent road closures required as part of this activity, there may be brief road closures and other traffic disruptions that are expected. Drivers are asked to obey all speed limits, traffic control devices and flag-persons.

Map: See the following page – crossing area is circled in yellow.

Questions regarding these activities or general project construction can be directed via email to coastalgaslink@tcenergy.com or by phone to 1-855-633-2011.
