

## CONSTRUCTION NOTIFICATION

*Coastal GasLink is committed to creating an extraordinary legacy of safety and respect for all people, communities and the environment. As part of this commitment we are keeping our neighbours along the project route informed on construction activities happening near their community. Please note the following information:*

**What:** Open burning of vegetative matter such as non-merchantable trees, stumps, roots, shrubs, branches and other debris from regulatory approved clearing activities.

**When:** Early January 2020 as an extension to 2019 burning notifications.

**Where:** This activity is planned for the following locations along the project route. Please see map on the following page:

KP 0.308	to	15.6
KP 15.8	to	89.5
KP 90.7	to	119.5
KP 121	to	133

**Expected Duration:** Early January 2020 through to the end of April 2020.

**Potential Impact:** Permits and authorizations are in place and will be done in compliance with the BC Open Burning Smoke Control Regulation, Forest Fire Prevention and Suppression Regulation, and the Wildfire Regulation. Safety and fire prevention plans are in place. All burning activities will be done in accordance with the project's Environmental Management Plan and will be carefully planned and monitored, including for air quality and emissions.

**Maps:** Please see following page.
