

# CONSTRUCTION NOTIFICATION

## Temporary Bridge Closure

### ERROSION/WASHOUT KM 11.5 GROUNDBIRCH FSR BRIDGE APPROACH

*Coastal GasLink is committed to creating an extraordinary legacy of safety and respect for all people, communities and the environment. As part of this commitment we are keeping our neighbours along the project route informed on construction activities happening near their community. Please note the following information:*

**What:** Construction activities will be taking place at the Groundbirch Forest Service Road 11.5 km bridge to repair damage from the recent rain washout.

**When:** On **Sunday, July 12**, access to this bridge crossing will be **unavailable for 24 hours**. The bridge will be closed to local traffic and heavy equipment crossing.

**Where:** Construction activities will occur at kilometer 11.5 along Groundbirch Forest Service Road. Please see the map included as part of this notification.

**Expected Duration:** The bridge closure will be in effect on July 12 and back open to the public on Monday, July 13.

**Potential Impact:** Extensive rainfall has caused damage to bridge access and requires repairs. Public and commercial access to cross this bridge will be unavailable and will require you to take an alternate route. There will temporarily be additional large trucks moving materials in the surrounding area as part of the repair efforts during this time period. No special permits or signage is required.

**Map:** Please see following page.

Questions regarding these activities or general project construction can be directed via email to [coastalgaslink@tcenergy.com](mailto:coastalgaslink@tcenergy.com) or by phone to 1-855-633-2011.
