

CONSTRUCTION NOTIFICATION

Coastal GasLink is committed to creating an extraordinary legacy of safety and respect for all people, communities and the environment. As part of this commitment we are keeping our neighbours along the project route informed on construction activities happening near their community. Please note the following information:

What: As part of scheduled construction activity for the Wilde Lake Compressor Station, there will be traffic interruptions causing possible delays on the 269 Road.

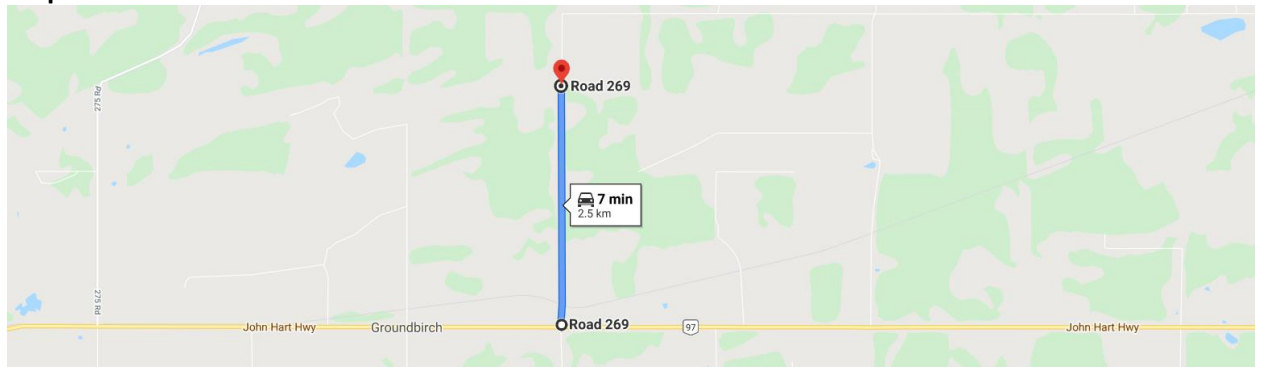

When: Beginning on August 23, 2020, construction activities to upgrade the 269 Rd will be conducted between 7 a.m. – 6 p.m., seven days a week.

Where: Road upgrades will be taking place on the 269 Road, heading north of Highway 97 for approximately 2.5 kms. Please see map as part of this notification.

Expected Duration: Road 269 upgrades will take place beginning August 23 to approximately mid-October 2020.

Potential Impact: While there are no anticipated road closures required as part of this activity, there may be traffic delays. Signage and directional information will be present near the impacted areas to assist with traffic flow.

Map:

Questions regarding these activities or general project construction can be directed via email to coastalgaslink@tcenergy.com or by phone to 1-855-633-2011.
