

CONSTRUCTION NOTIFICATION

Coastal GasLink is committed to creating an extraordinary legacy of safety and respect for all people, communities and the environment. As part of this commitment, we are keeping our neighbours along the project route informed on construction activities happening near their community. Please note the following information:

What: As part of scheduled construction activity for the Wilde Lake Compressor Station, there will be traffic interruptions causing possible delays on the 269 Rd.

When: As an extension to [August 2020](#) traffic notification, 269 Rd will see possible traffic delays between 7 a.m. – 7 p.m. for the duration of the construction period.

Where: Heading north from Highway 97, road upgrades will take place on the 269 Rd for 2,300 metres south of the 212 Road. Please see map as part of this notification.

Expected Duration: Construction activity on the 269 Rd will take place until the end of November 2020.

Potential Impact: There will be impacts to traffic flow during this time. This should not impact any local resident traffic. Additional signage and flagging personnel will be present, as required, to help guide traffic.

Map:

Questions regarding these activities or general project construction can be directed via email to coastalgaslink@tcenergy.com or by phone to 1-855-633-2011.
